- Please add Supt Rheume as the overall approving authority
- Situation – Eleven convoys now
- Intel – no known incidents of violence to date with this Convoy (to be verified)
- OPP – managing outlying communities in addition to the highways (Arnprior, etc...)
- Commanders Intent (use mission statement again)
- Towed Vehicles – Site Commander or Incident Commander. Towing may be provided by the city (TBD)
- Contingency Plans – replace Patrol Inspector with Command Inspector & Event Manager with Incident Commander
- 5.5 OPS Command Center – need to validate that they have overall operational command of the city with the NCRCC Incident Command managing the event. NCRCC IC reports to the Command Center
- Arrest Procedures – Do we actually have a Hand Off Team? May need to address Mass Arrest as a contingency plan – only to identify available options to facilitate
- Appendix A – Isabelle Lemieux is in twoce. She will be the afternoon Incident Commander. On site CIC during the day will be MA Sheehy *TBC) and Afternoon will be Debbie Palmer; Andy Moore will not be at the NCRCC
- We need a lot more meat and potatoes into our Execution to outline the general strategies (the what and the how)

Overall, strong framework

Russell
